

## Information for the transfer of the CNPA Homepage

Information provided by: Stéphane Morel, Yann Kohler (ALPARC)

Date: 15.01.2014

### **Hosting and domain name :**

The website is currently hosted by SCNAT (Swiss academy of sciences).

<http://whois.net/whois/carpathianparks.org>

For further information regarding hosting, please contact directly :

Stefan SCHMIDLIN or Roland VOEGTLI both reachable at : [informatik@scnat.ch](mailto:informatik@scnat.ch)

Domain name registrar : 1and1.fr

The domain name is valid until 19 november 2014

### **Technical needs for the hosting server:**

System Requirements: You need to be sure that your web server, or the service provided by your web host, meets the minimum requirements before you download the Joomla! software. These are:

PHP 4.2.x or above

MySQL 3.23.x or above

Apache 1.13.19 or above

You must ensure that you have MySQL, XML, and Zlib support built into your PHP.

Joomla! can be used with most major browsers including: Firefox, Internet Explorer (version 5.5+), and

Joomla version : 1.5.14

### **MySQL:**
